

## Newsletter – June 2019

What a pleasure it was to induct Margaret Pike into our club at the May meeting. I am sure Margaret will be an excellent member and it is good to have her with us. Helen Read from Burnham Inner Wheel Club came and spoke about Burnham Beeches, its conservation programme and problems of its success! It was a very interesting talk. We were able to give Helen £50 for the Burnham Beeches Trust.

Unfortunately, Ann was a little enthusiastic with the coffee plunger!

Four of us went to Paris for the weekend with Rotary for their Charte Meeting and had a very good time visiting the Pasteur Institute and Monet's Garden as well as enjoying some excellent food and some great company from the other 4 countries and of course met up with our Inner Wheel friends from our Link Club of La Celle St Cloud.

We had an excellent lunch at Toad Hall for our monthly Pub Lunch and it was great that Maureen could join us once again. She has so enjoyed being with us on several occasions this year. It was a beautiful day and we were able "to kill two birds with one stone" as many of us bought bedding plants or other items for the garden.

The Bridge Drive on the 22<sup>nd</sup> (which looks like very serious business!) was a very successful event raising £425-45 profit. But more importantly everyone thoroughly enjoyed the afternoon and there were several comments on the wonderful tea, the lovely china and our new cake stands. My thanks go to everyone who made sandwiches, baked cakes or scones or helped on the day

serving and in the kitchen. Also, thanks to Avril for master minding the whole tea preparation and china etc. I have to say I was shattered when I got home! But it was a great day with a lovely atmosphere and lots of laughs while we worked. The fact that I won the 1<sup>st</sup> raffle prize was an added bonus!

*Kay showed off her skill of holding the cake stand in her teeth!*

Several of us enjoyed going along to the Rotary partner's evening on the 30<sup>th</sup>

*Jackie*
