INNER WHEEL CLUB OF MARLOW - MAY 2023

We started the month with the Celebration of the Kings Coronation. A few Queens got together to Welcome Julie Churchill back to Marlow.

We then had our District Celebrations at Harleyford Golf Club

The Pre Rally Tea. The photograph shows Association President Karen Davies with District Member of Council Pat Briggs. As you can see Harleyford made a lovely tea and it was a fun event.

Judith had invited her mother to join in the celebrations and I'm sure she was as proud as we were of Judith. She sent me a lovely thank you card.

The next day was Judith's Rally. It started with coffee plus a service. It was a lovely way of highlighting the values of Inner Wheel. We then had a delicious lunch at Harleyford and despite the occasional downpour we all managed to enjoy ourselves.

The whole club pulled together to make it an event to be proud of. There was lots of work behind the scenes that made it such a success from the secretary and treasurers role, Pauline Slater putting up signs so our guests didn't get lost, Linda organising and arranging the flowers with Jan Fines-Allin helping and Pattie trying to get everyone together to get some photographs, to name but a few. The flowers were beautiful, and I even managed to get a photograph of Pattie in action.

It was a very busy week and a few members still had enough energy to represent Inner Wheel at Rotary's Chart celebrations, either attending the fish and chip supper or the Presidents Night. Our correspondent Jan managed to meet with La Celle St Cloud correspondent, Marie Claude, at the Holiday Inn. Marie Claude and Joan Clerehugh had developed a close friendship when Joan was President and Marie Claude visited Marlow. They had corresponded on a personal level for many years. It was lovely that Jan is able to continue this link.

We still managed to meet for our coffee morning and we were delighted to see Jackie plus her new hip and probationary nurse in attendance. Luckily the relationship survived and they are both still smiling.

So it is my last month as President and I hope we can enjoy a lovely sunny cocktails and canapés evening to round my year off in style. This is an opportunity to invite family and friends to come along. I hope for a lovely evening in the house and garden. To enable us to cater adequately we have decided to sell tickets for £10 a head and limit numbers to 70. This will give each "ticket" holder a cocktail and a choice of canapés. If you or any friends

are coming please let me know. All are welcome.

We will also be having a jewellery sale. It would be helpful if any jewellery you donate is priced. I don't want to give anything precious away.

Avril will be asking members to make a plate of canapés. A few of us will decide on the cocktails and we will have non alcoholic drinks available.

Gwyneth will also be having a textile lunch. Please let her know if you can come and what you will be bringing.
