

NEWS LETTER

INNER WHEEL CLUB OF MARLOW - APRIL 2023

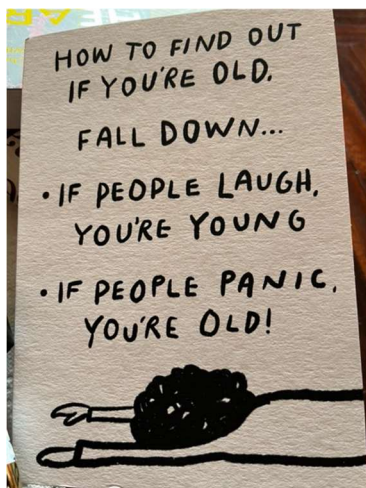

We start this newsletter with some lovely news. I had a fabulous holiday in Holland amongst the tulips and windmills. Not exactly Inner Wheel news but the reason I have very few club photographs to share.

I returned to have a textile lunch at my home. I was so busy I forgot to take any photographs. Those of you with a keen eye may notice that this photograph was taken at last month's textile lunch at Kay's. It does however give a flavour of my event. Different people, different food but a lovely productive meeting.

We still meet for the coffee morning at the Ark on Fridays from 11-12. We never know who will turn up but it is always a lovely opportunity to get to know each other better. Jackie had just shared a copy of something she had been sent. I hope you enjoy the joke.

The rest of this month has been spent in meetings. The committee meeting where plans were finalised for the club events and the Pre Rally tea. You will notice the meeting was at my house with Avril's shortbread...Yummy

That afternoon there was another meeting with District Chair Judith to discuss the Rally. You will be pleased to know the shortbread was enjoyed at both meetings.

I'm sorry the newsletter is short of news but next month should be a bumper publication....Provided we take some photographs.

So it is coming to the end of the Inner Wheel year. Pauline Wylie and her committee are ready to take over and we still have much to look forward to. I hope you are enjoying the Spring sunshine.

Angela
